

Greetings from Tyler,

The first day of spring is a gorgeous one here in East Texas. Mr. Murray Allatt and his wife Dita arrived here yesterday, and we've enjoyed showing them around and spending time talking about our combined operations and plans for the immediate future. Mr. Jim Josephsen and his wife Barb are also arriving for the Sabbath, and tomorrow's service will feature both Murray and Jim as guest speakers. We'll get the DVD made and mailed to you ASAP.

The Garner Ted Armstrong program this week offered material on Easter, the Passover, and the sermon Christ our Passover. So far we've tabulated a total of 421 requests, with one hundred seventy six first time contacts. I mentioned that we're starting a television broadcast in Los Angeles on Saturdays at 7:00 a.m. on KHIZ beginning April 4. The rest of the package includes a sister station KOTR in Monterey, CA that will air Sundays at 8:00 a.m. beginning on April 5. We're still looking at the possibilities for the telecast in England, and will let you know when we get something nailed down.

I know many of you are absolutely heartsick about the plunge our nation is taking into the economic and social abyss. It has been noted recently by the foremost experts on the survival of hardship and dire, life threatening circumstances, that the one common denominator is faith in God. We've got to keep our heads and our spirits up, realizing that God's power far supercedes the follies of man's governments. The Bible tells us that He will intervene on our behalf, and ultimately on the behalf of all mankind.

With that in mind, have a great Sabbath, and we'll be in touch.

Mark Armstrong
