

Greetings from Tyler,

I hope you all had a good Passover service (Lord's Supper) and first Day of Unleavened Bread. We've had a packed schedule with the events of this week and those to come in the days ahead. My aunt, Lois, is here visiting with us, and Dr. Ricks and Ken Nelson are due to arrive tomorrow morning for our annual board meetings. Dr. Ricks is scheduled to deliver the main message tomorrow.

Those of you who keep up with the news know that our nation being directed down a path of subservience to Europe and the rest of the world. We are also facing the prospect of a radically altered way of life if those who purport to represent us should succeed. It has been spelled out in graphic detail in recent Weekly Updates and commentaries on the web site, so I'm going to give it a rest as we approach the Sabbath and the whirlwind of activities that will make up the next several days.

The Garner Ted Armstrong telecast this week performed well, bringing in 571 requests for The Bible, Fact or Fiction, with three hundred thirteen first time contacts.

We hope all is well with those of you in the field, and wish you a great Sabbath and rest of the Days of Unleavened Bread.

Until next time,

Mark Armstrong
